If this policy does not meet **your** requirements then **you** may cancel the policy within 14 days of buying the policy, or within 14 days of the date that **you** received **your** policy, provided that **you** have not already travelled or have made a claim against the policy. **You** are not entitled to any refund if **you** cancel the policy after the cooling-off period of 14 days.

IMPORTANT NOTES ABOUT YOUR POLICY

Coverage

This policy is designed to cover residents domiciled in the **EU** states for pre-booked round trips of in excess of 24 hours in length commencing in and returning to **your** domiciled address, for both conventional leisure and Dive Holidays. Residents who are domiciled outside the **EU** may also be insured by agreement.

Reciprocal Health Agreements

When **you** are travelling to another country within the **European Union**, **you** should collect an application form for a European Health Insurance Card from **your** local post office or download an application form from www.ehic.org.uk. This entitles European citizens to benefit from health agreements that exist between countries who are members of the **European Union (EU)**. In addition if **you** are travelling to Australia and/or New Zealand **you** may be entitled to reciprocal healthcare, and **you** should register with the Medicare or the equivalent scheme of these countries.

Territorial Limits

The territorial coverage under this policy is dependant upon the selection that **you** made when purchasing the **Insurance Policy** (UK / Europe including the Red Sea / Worldwide) and is confirmed on the policy **Certificate**.

All travel is subject to Foreign & Commonwealth Office travel advice. Please visit www.fco.gov.uk or contact **your** Tour Operator if **you** are unsure what the current published travel advice is for the region that **you** will be travelling to. However if non-essential travel is not recommended by the Foreign & Commonwealth Office, but **you** or **your** Tour Operator maintain that the destination is still safe, then please contact **us** as Insurers may still grant coverage by formal agreement upon consideration of **your** travel itinerary.

FITNESS TO TRAVEL REQUIREMENTS

This Travel insurance policy is designed to cover unforeseen illnesses and accidents that first occur during the **Travel period**. This policy will not cover any claims made as a result of an undisclosed pre-existing medical condition that **you** are aware of and that has been diagnosed or is awaiting diagnosis. It is therefore **your** responsibility to disclose any medical conditions that may affect our decision to insure **you**, and if **your** health changes after **you** have taken out this insurance policy then **you** must contact **us** without delay. **Underwriters** reserve the right to alter the terms of this insurance based on the changed medical circumstances.
