Annual Policy Holders Auto Renewal Service

To make sure you have continuous cover under your policy, Dive Master Insurance Consultants Ltd (Dive Master) will aim to automatically renew (autorenew) your policy when it expires unless you tell us not to. Each year Dive Master will write to you 28 days before the renewal date of your policy and provide you with the policy documents that will apply and any changes to the premium or the policy terms and conditions. If you do not want to auto-renew your policy, just call Dive Master on +44 (0) 1702 476902 or log into your account and select "current policies" then deselect the autorenewal option. Otherwise we will collect the renewal premium(s) from the credit card or debit card used for your original purchase.

Please note your renewed policy will only be valid when:

- you have told Dive Master about any changes to your risk (including any incidents that may result in a claim being made)
- the credit card or debit card has been charged

In some cases Dive Master may not be able to automatically renew your policy. We will let you know at the time if this is the case. Dive Master are entitled to assume that your details have not changed and you have the permission of the card holder unless you tell us otherwise. Dive Master will not retain your payment details. We will tell the processing bank that have your payment details to charge the relevant premium to the debit card or credit card on or before the renewal date. You can tell Dive Master about any changes to your policy details or opt out of automatic renewal at any time by phoning us on +44 (0) 1702 476902
