Policy Guide

Do not wait until a claim arises before reading and understanding this **policy** – please read it now and keep it in a safe place.

In particular make sure that:

- All the details shown in the Schedule are correct. The **insured** should let their insurance broker know immediately if any changes are necessary
- You, as the **insured**, have read the conditions relation to those Sections covered including the General terms and conditions and Exclusions to insured sections A.
- You, as the **insured**, understand the notes and how to make a complaint as stated in the Complaints section

If the **Insured** has any queries about the **policy**, does not understand any part of it or feels that it does not meet their requirements they should consult their Insurance Broker.

Important

The **Insurers** acceptance of the risk is based upon the information the **Insured** provided and this **Policy** has been issued based on the information supplied about the **Insured** and the **Insured's** property in the Statement of Fact or Proposal Form and other material information declared by the Insured to Insurers.

In deciding to accept this **Policy** and in setting the terms and premium, we, the **Insurers** have relied on the information you, the Insured have given us.

The **Insured** must take care when answering any questions the **Insurers** ask by ensuring that all information provided is accurate and complete.

If Insurers establish that the **Insured** deliberately or recklessly provided the **Insurers** with false or misleading information the **Insurers** will treat this **Policy** as if it never existed and decline all claims.

If the **Insurers** establish that the **Insured** carelessly provided the **Insurers** with false or misleading information it could adversely affect the **Policy** and any claim. For example the **Insurers** may:

- treat this **Policy** as if it had never existed and refuse to pay all claims and return the premium paid. The **Insurers** will only do this if the **Insurers** provided the **Insured** with insurance cover which the **Insurers** would not otherwise have offered;
- amend the terms of the Insured's **Policy**. The **Insurers** may apply these amended terms as if they were already in place if a claim has been adversely impacted by the **Insured's** carelessness;
- charge the **Insured** more for the **Policy** or reduce the amount the **Insurers** pay on a claim in the proportion the premium the **Insured** have paid bears to the premium the **Insurers** would have charged the **Insured**; or
- Cancel the **Insured's Policy** in accordance with the **Insurer's** Cancellation rights

It is therefore very important that the **Insured** lets their insurance broker know immediately of any changes that affect the information the **Insured** has declared to the **Insurer**. For example in respect of legal liability exposures any material alterations such as changes in the **Business** that affects the information disclosed to **Insurers**.

In the event of a general enquiry or query relating to the **Policy** the **Insured** should in the first instance contact their Insurance Broker or intermediary who arranged this insurance or contact Divemaster at the address below:
